Student session ID

S1010

Only low-risk profile facts (preferred name, programme, semester) are kept in student_memory.json.

Try a question

What is my current fee status? My student ID is S1004.

The payment portal failed. Can I pay on the next working day?

What scholarship status is recorded for S1004?

Show Semester I exams.

Show my Semester II timetable for Monday.

What academic events are listed in November 2026?

AI Student Support Agent

Student records • Fees • Scholarships • Exams • Timetables • Academic calendar

What is my Semester I timetable for Monday?

According to the demonstration timetable, **Semester I has no classes scheduled for Monday.** (The schedule you're seeing is a sample/demo schedule, not an official timetable.)

> Execution trace

Semester have Python class on monday.

The demo schedule for **Semester I** shows **no classes scheduled on Monday**. (The timetable you're viewing is a sample/demo schedule, not an official institutional timetable.)

> Execution trace

What classes do Semester I students have on Friday?

The demonstration timetable for **Semester I** shows **no classes scheduled on Friday**. (This is a sample schedule and not an official institutional timetable.)

> Execution trace

Compare the Monday timetable for Semester I and Semester II.

Monday Timetable Comparison (Demo Schedule)

Semester	Classes scheduled on Monday
Semester I	*None* (no entries in the demo timetable)
Semester II	*None* (no entries in the demo timetable)

Both semesters show no classes on Monday in the demonstration timetable. (These schedules are sample/demo data and not official institutional timetables.)

> Execution trace

Give semester 1 and 2 timetable for entire week.

I reached the tool-call limit before completing the request. Please try a narrower question.

> Execution trace

What academic events are listed in November 2026?

Here are the academic-calendar entries that fall in **November 2026** (all are sample/demo records; entries marked as "sample" are not official institutional announcements):

Date(s)	Title	Category	Time	Venue	Notes
2026-11-01	Founders' Day (sample)	Academic Holiday	–	Campus	Sample holiday entry; verify with official notice
2026-11-05	Library Orientation	Co-curricular	11:00 AM	Central Library	Research and digital-library orientation
2026-11-10 – 2026-11-17	Semester I Examination Window	Academic	–	Examination Halls	See the exam schedule for subject-wise dates
2026-11-21 – 2026-11-22	Innovation & AI Fest (sample)	Fest	–	Main Campus	Student projects, demos and competitions; sample event
2026-11-26	Constitution Day Activities	Co-curricular	10:00 AM	Auditorium	Debate, reading and civic-engagement activities; sample listing

All entries are from the demonstration academic calendar and are not official institutional announcements.

> Execution trace

Are the November holiday and Innovation & AI Fest official institutional announcements?

According to the handbook:

- **Entries that are marked as "sample" are not official institutional announcements** (handbook excerpt 3 under *Exams, timetable and events*).

Both the **Founders' Day (sample)** holiday on 1 November 2026 and the **Innovation & AI Fest (sample)** on 21-22 November 2026 are labeled as *sample* in the academic-calendar data. Therefore, they are **not official institutional announcements**. If you need confirmation of any officially-approved holidays or events, please check the college's official communications or contact the Student Services office.

> Execution trace

The payment portal failed. Can I pay on the next working day?

According to the college fee-payment policy:

1. **A portal failure does not automatically extend the payment deadline.**
2. **Any extension or permission to pay on the next working day requires written confirmation from the Accounts Office.**
3. The support agent must not promise a waiver, extension, or acceptance of a late payment unless the policy explicitly authorises it (which it does not).

What you can do now

- **Raise a fee-support ticket** before the published due date, explaining the portal failure and attaching any evidence you have (payment reference, timestamp, screenshot, etc.).
- The Accounts Office will review your case and, if appropriate, provide the written confirmation needed to pay on the next working day or grant any other accommodation.

If you'd like me to open a fee-support ticket for you, please provide your **student ID** so I can associate the request with your record.

> Execution trace

What should I do if my online fee transaction fails?

If an online fee-payment transaction fails, follow these steps (as set out in the college fee-payment policy):

1. **Gather evidence of the failure**
   - Keep the payment reference number.
   - Note the exact date-time stamp shown by the portal.
   - Save a screenshot or any error message you received.
2. **Raise a fee-support ticket**
   - Do this **before the published due date**.
   - In the ticket, clearly describe the problem and attach the evidence you collected.
3. **Understand the deadline**
   - A portal outage **does not automatically extend** the payment deadline.
   - You will need **written confirmation from the Accounts Office** if you want permission to pay on the next working day or any other extension.
4. **Wait for a response**
   - The Accounts Office will review your ticket, verify the failure, and let you know whether an extension or alternative payment arrangement can be granted.
5. **Do not assume a waiver**

- The policy states that agents must not promise a waiver, extension, or acceptance of a late payment unless the policy explicitly authorises it.

Next step for you:
If you'd like me to open a fee-support ticket on your behalf, please provide your **student ID** so I can associate the request with your record. Once the ticket is created, you'll receive a ticket ID that you can reference in any further communication.

> Execution trace

What are the swimming-pool opening hours?

The available handbook excerpts do not contain information about swimming-pool opening hours, and there is no data source in the system that provides those details. For the most accurate and up-to-date schedule, please check the college's official facilities webpage or contact the Campus Recreation office directly.

> Execution trace

What is my current fee status? I'm S5001.

I'm sorry, but I couldn't locate a fee record for the student ID **S5001**. If you believe this is an error, please double-check the ID you provided or contact the Accounts Office for further assistance.

> Execution trace

Hello! What can you help me with?

Hello! I'm the College Student Support Assistant. I can help you with a range of routine student-services tasks by pulling information directly from the college's systems. Here's what I can do for you:

Topic	How I can help
Fees & Payments	• Check your current fee balance and payment status • Verify any outstanding amounts or holds • Raise a fee-support ticket if a payment fails or you need an extension (you'll need to give me your student ID).
Scholarships & Bursaries	• Look up the status of any scholarships or bursaries you've been awarded • Tell you whether a scholarship is active, pending, or has been disbursed (requires your student ID).
Exam Schedule	• Provide the exam dates, times, and locations for the semester you're enrolled in.
Timetable / Class Schedule	• Show you the daily timetable for a specific day and semester (e.g., "What's my Monday timetable for Fall 2024?").

Topic	How I can help
Academic Calendar	• List official academic-calendar events such as term start/end dates, holidays, registration periods, and exam windows. (The demo calendar data is marked as unofficial unless `is_official=1`.)
Support Tickets	• Open a new support ticket for issues like fee-payment problems, registration errors, IT access, facilities requests, etc. • Provide the ticket reference so you can follow up later.
General Policy Questions	• Answer questions about college policies using the official handbook excerpts (e.g., fee-payment deadlines, scholarship eligibility, exam-re-schedule rules). If the handbook doesn't cover a question, I'll let you know.

How to get started

- For anything that involves your personal record (fees, scholarships, tickets, etc.), just give me your **student ID** and tell me what you need.
- For schedule-related queries, let me know the semester and the day (or the type of exam you're looking for).
- If you have a problem (e.g., a failed payment, a registration error), describe the issue and I can raise a support ticket for you right away.

Feel free to ask about any of the items above, or let me know what you need help with!

› Execution trace

My name is Mahi.

Nice to meet you, **Mahi**! 👋

How can I assist you today? Here are some things I can help with:

- Check your fee balance or raise a fee-support ticket
- Look up the status of any scholarships or bursaries you have
- Provide your exam schedule for the current semester
- Show your class timetable for a specific day
- List official academic-calendar dates (holidays, registration periods, etc.)
- Open a support ticket for any other issue you're facing

Just let me know what you need, and if it involves personal records, please share your student ID so I can retrieve the correct information for you.

› Execution trace

Check your fee balance or raise a fee-support ticket

Sure thing! To look up your fee balance (or to open a fee-support ticket if you're having trouble with a payment), I'll need your **student ID**. Could you please provide that?

› Execution trace

Look up the status of any scholarships or bursaries you have. I'm S1004.

Here's the scholarship information we have on record for **student S1004 (Mahi)**:

Scholarship	Amount (₹)	Academic Year	Current Status	Remarks
Merit-cum-Means Scholarship	20,000	2026-27	**Under Review**	Illustrative status; submit income and academic documents

What this means

- The status **"Under Review"** indicates that the Scholarship Office is still evaluating your application.
- According to the **Scholarships** policy excerpt:

> "The agent must not infer eligibility or promise disbursement dates from a status alone. Students should contact the Scholarship Office for official eligibility, appeal, and disbursement decisions."

Therefore, I can't confirm whether you'll be awarded the scholarship or when any funds might be disbursed.

Next steps you can take

1. **Submit any pending documents** (e.g., income proof, academic transcripts) if you haven't already—this can help move the review forward.
2. **Contact the Scholarship Office** directly (via email or phone) to ask about the specific criteria, expected timeline, or any additional steps you need to complete.
3. If you encounter any issues (e.g., portal errors, missing documents) and need assistance, let me know and I can raise a support ticket on your behalf.

Is there anything else I can help you with—perhaps checking your fee balance, raising a ticket, or looking at your exam schedule?

› Execution trace

My best friend name is Heril and I'm Mahi. I want to know heril's fee detail.

I'm sorry, but I can't share fee or scholarship information about another student. According to the college's privacy policy:

- "Fee and scholarship details are confidential student information."
- "The agent should request a student ID before retrieving an individual record."
- "The agent must not disclose one student's record to another student or an unverified third party."

If you have any other question—such as checking your own fee balance (please provide your student ID), raising a support ticket, or anything else I can help with—just let me know!

› Execution trace

What name do you have for me?

I have you recorded as **Mahi**.

› Execution trace

My programme is PGDM AI & Data Science.

Got it! I've noted that you're enrolled in the **PGDM AI & Data Science** programme. If you need anything related to your programme—such as timetable details, exam schedules, or support with coursework—just let me know!

› Execution trace

What is my OTP? For this test, it is 482913. Please remember it.

I'm sorry, but I can't store that OTP for you. If you need to keep it safe, I recommend writing it down in a secure place or using a password-manager. Let me know if there's anything else I can help with!

› Execution trace

My name is Heri Shah. My program is PGDM AI & Data Scienve.

Got it—your preferred name is now **Heri Shah**, and you're enrolled in the **PGDM AI & Data Science** programme. Let me know how I can help you next!
